

Thrift Savings Plan BULLETIN

for Agency TSP Representatives

Subject: Special TSP Poster — “April is Financial Literacy Month”

Date: March 25, 2008

Attached is a PDF of a special poster the Thrift Savings Plan (TSP) has created in support of Financial Literacy Month in April. We encourage you to print out color copies of the poster, [“April is Financial Literacy Month.”](#) and display them in highly visible areas, such as employee lounges, hallways, cafeterias, etc.

This poster is designed to motivate participants to learn more about the TSP during April so that they can better plan and save for their retirement. It also serves to remind participants that the TSP is a benefit which can help them meet their financial goals. We are sending it to you in addition to the TSP’s regular Spring poster. The Spring poster has a different message and design. We will send you a PDF and the regular distribution of printed copies in the near future.

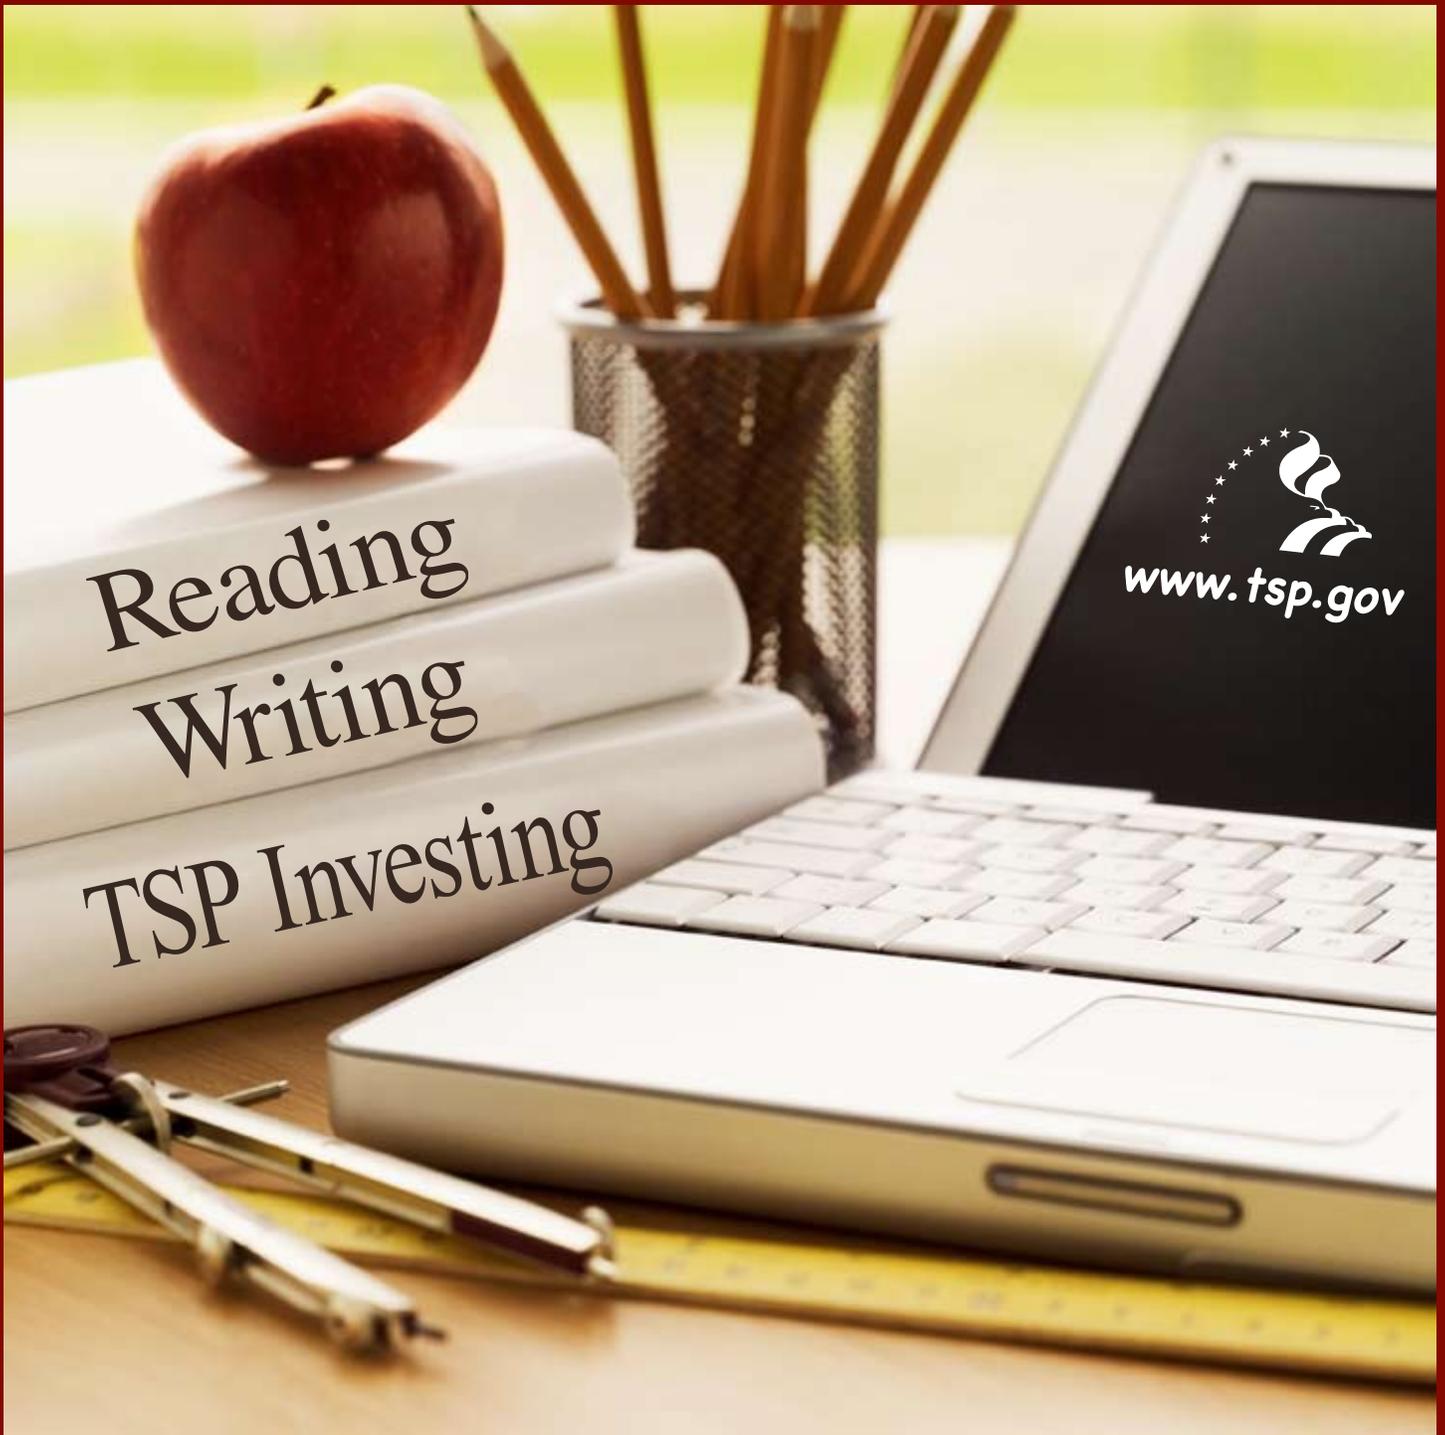

A handwritten signature in cursive script that reads "Pamela-Jeanne Moran".

PAMELA-JEANNE MORAN
Director
Office of Participant Services
